Dear Dr Standke,

In accordance with Article V (1) of the Institute's Statute, UNITAR staff are appointed by the Executive Director who is assisted in the discharge of this responsibility by an Appointment and Promotion Board, for posts of D-1 (or equivalent) rank and below.

It has become necessary to reconstitute the Board as several of the serving members have left New York.

I accordingly have much pleasure in inviting you to serve as a member of the UNITAR Appointment and Promotion Board, from now and until further notice.
